Blooming Butterflies

The new Villari Blooming Butterflies collection is inspired by the poetic dance of butterflies in spring during the peach blossom season. Villari has captured on porcelain the butterflies and flowers and added a fantasy tale touch to it! The tea set is hand painted in delicate pastel colours and can be mixed and matched to create a dreamy and romantic afternoon tea experience by Villari. Once again VILLARI reinvents Porcelain with the Blooming Butterflies collection, combining its expertise with a creative audacity, VILLARI will pleasantly surprise all your guests for afternoon Tea!

HANDLING & CARE

Villari porcelain dinnerware is practical and ideal for everyday use, because it is dishwasher-safe, oven-safe and microwave-safe unless it is decorated with a precious metal such as gold and platinum.

DISHWASHER-SAFE

Villari dinnerware without precious metals (gold or platinum) is dishwasher-safe. For dinnerware decorated with a precious metal using a soft sponge and regular dishwashing liquid, we recommend to hand-wash it using a soft sponge and regular dishwashing liquid. However, never use an abrasive sponge, which might scratch or damage the surface of the decoration, especially gold or platinum. If time to time, you wash your dinnerware in the dishwasher we recommend that you choose a low-temperature program and a liquid detergent in the right proportions. After cleaning, we recommend that you wipe off your porcelain service with a soft cloth to preserve its shine.

MICROWAVE-SAFE

Our dinnerware patterns without precious metals (gold or platinum) are microwave-safe. Our dinnerware patterns with precious metals (gold or platinum) should never be put in a microwave.

CONVENTIONAL OVEN

Our dinnerware can easily withstand the maximum temperature of a conventional oven (300°C). However, be careful with thermal shock. our products should not be subjected to pronounced temperature differences. For instance, never take a serving dish out of the refrigerator and put it directly into a hot oven (or vice-versa).

FLATWARE

Villari Flatware is dishwasher-safe and can also be hand-washed using a soft sponge and regular dishwashing liquid. However, Flatware with a porcelain handle must hand-wash it using a soft sponge and regular dishwashing liquid should not be washed in the dishwasher. Never use an abrasive sponge, which might scratch or damage the surface.

If your flatware is not used regularly or if it is stored in a damp room, the silver or gold may tarnish. In this case, simply polish it with a soft cloth and a few drops of a solution used for silverware maintenance. We also recommend the original silver polishing cloth from Town Talk. After cleaning, we recommend that you wipe off your flatware set with a soft cloth to preserve its shine.
